

Flat Pack Music System Wire Harness Assembly Replacement Instructions

(IMPORTANT: READ THESE INSTRUCTIONS FIRST)

Kit Includes:

Wire Harness Assembly

STEP: 1. **DISCONNECT ALL POWER TO THE SPA.**

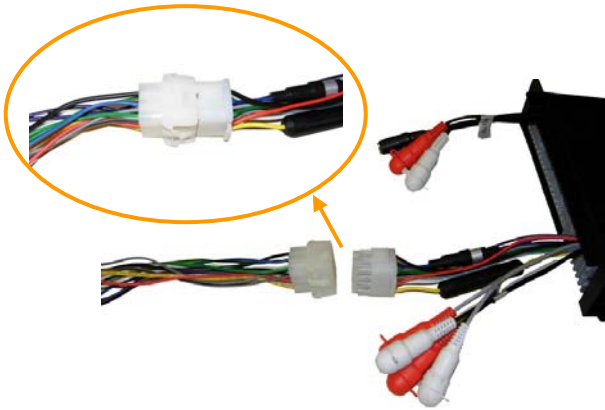

2. Remove the spa equipment compartment door.
3. Remove the cover from the control box.

Make sure the following parts have been connected:

4. the Power Supply to the control box.
5. the Power Supply Adaptor to the power supply.

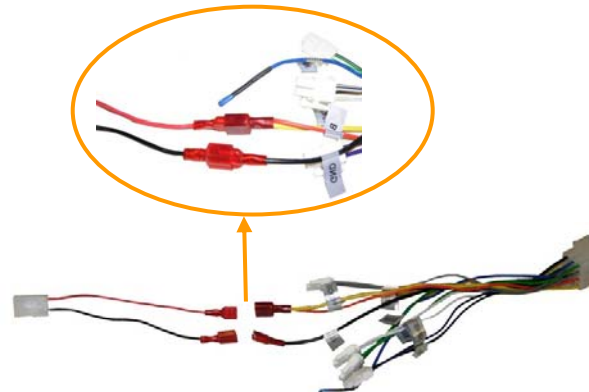

(For steps 4 - 5, see the Flat Pack System Installation Instructions).

STEP 6

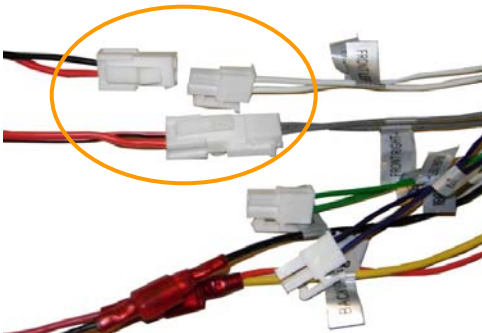

Connect the Amplifier Harness to the Wire Harness Assembly.

STEP 7

Join the Wire Harness Assembly and the Power Supply Adaptor together: **red to red** wire and **black to black** wire.

STEP 8

Join the speaker connectors to the left and right front connectors (gray and white wires) in the Wire Harness Assembly.
